  Accreditation in France is programmatic. An institution may have Reconnaissance par l'Etat, but that doesn't mean the program is approved.
  - **Public institutions:** all programs at public institutions are de facto recognized. Confirm that the student received a national diploma upon completion of program.
    - List of public institutions: https://www.enseignementsup-recherche.gouv.fr/cid49705/liste-des-etablissements-d-enseignement-superieur-et-de-recherche.html
  - **Private institutions:** These institutions must apply for academic recognition from the state/government. You must go to L'Étudiant (https://www.letudiant.fr/etudes/annuaire-enseignement-superieur/formation.html) to determine if the program results in a:
    - *diplôme rêvetu du visa official* = programmatic accreditation
    - *diplôme visé* = programmatic accreditation
    - *diplôme d'état* = programmatic accreditation (older term for diplôme visé)
    - *diplôme...au grade de ... [licence, master, doctorat]* = programmatic accreditation
    - *habilitation CTI (Commission des titres d'ingénieur)* = programmatic accreditation
      - *Rechercher une école ou une formation* (Search for a school/formation): https://www.cti-commission.fr/accreditation
    - *habilitation commission des titres* = recognized (older term for habilitation CTI)
    - *label CGE (Conférence de Grandes Écoles)* = programmatic accreditation
      - *Membres de CGE* (Members of the CGE): https://www.cge.asso.fr/listings/
    - *diplôme d'établissement* = programmatically unaccredited
    - *diplôme universitaire* = programmatically unaccredited
    - *diplôme d'université* = usually non-credit program
    - *qualification de branche* = usually non-credit continuing education program
    - *titre/certificat d'établissement* = programmatically unaccredited
    - *certificate/diplôme d'école* = programmatically unaccredited
    - *diplôme de la FEDE (Fédération Européenne des Ecoles)* = programmatically unaccredited
    - *titre de CCI (Chambre de Commerce et Industrie)* = programmatic accreditation if also designated as a diplôme national, d'état, or visé. Otherwise such a title is not an academic qualification
    - *titre inscrit au RNCP niveau x*

- Institution status = Regionally accredited, only if title also designated as a *diplôme national, d'état, or visé*
- Institution status = Nationally accredited, if title has no other recognized designations
  - *preparation conjointe* = check status of host institution
- If the program does not result in on of these official diplomas, US credit is usually recommended, but US degree equivalency is usually not recommended.
